### OLNEY FOR GOVERNOR.

In another column of this issue appears the announcement of Hon. George A. Olney, for Governor of Arizona.

George Olney is a pioneer of Arizona, having come here from Texas, his native state, when a boy fifteen years old.

By industry and thrift he saved some money which he invested in real estate and cattle, and has been in the cattle business nearly all the time since. He disposed of his cattle interests only a few years ago.

His first official position was as a deputy sheriff of Graham county. He made good, and was elected sheriff two terms and later was appointed to fill the unexpired term of a Republican sheriff who had defaulted. He served as mayor of the Town of Safford; served two terms as a member of the board of supervisors of Graham county; served one term as a member of the territorial board of equalization.

When County Assessor John J. Birdno, in 1904, increased the assessments on mining properties, Olney, as a member of the board of supervisors and board of equalization, took the stand to compel mining companies of that county to pay their just proportion of taxes, by sustaining the action of the county assessor, but the other two members voting against him the reduction was ordered.
